

AERATE, ROLL, RAKE AND BRUSH

The Double-Quick, available in either 1.8m or 2.4m working widths, allows you to perform all of these essential maintenance jobs in one go.

Save time and effort by combining rear roller, rake, and brush attachments as you aerate your playing surface.

With a unique main frame that can carry two attachments of your choice, one mounted above the other, you'll find Double-Quick to be the ultimate aeration system for playing fields, sports grounds, pitches and local authorities.
